

Pacific Grove Plaza

2024 Auction

The Pacific Grove Plaza Homeowner's Association has acquired the following Resort Intervals through the foreclosure and deed back process. They are now for sale by a closed bid Auction. This auction is not limited to PGP owners; we encourage you to tell your family and friends. All interested bidders must fill out the bidding form below with the maximum price you wish to pay for the appropriate interval type desired. Each interval type has a minimum starting bid. All bids must be received no later than Friday April 19, 2024. The highest bidder for each interval will be determined and notified by management. After notification of a successful bid, you are responsible to open escrow as soon as possible [PGP staff will provide information to you and assist you in this process]. All of these intervals will be available for use in 2025 (except the even biennial units). Title must be transferred, and assessments paid before use will be granted. Your bid price does not include the cost of escrow fees which will be approximately \$300 per unit. If you have any questions regarding the bidding process, please call the resort.
